Semantics: Tutorial One

Francis Bond

1. Try and define the following words without a dictionary:

   (1) *high school*

   (2) *rat*

   (3) *mouse*

   (4) *copper*

   (5) *dumpling*

2. Try and define the translation equivalents of the above words in a language of your choice.

   Have you encountered any difficulties? If so what?
